Drop Ship Fee *

Branch Home can only drop ship small items that are able to be shipped via Federal Express or UPS. Any other items are not able to be drop shipped and will have to go to a receiving warehouse.

Marble Shipping Fee *

Please note that marble shipments will be more than the noted percentage at checkout. Customer service will advise after the order is processed.

Residential Delivery Fee *

Branch Home can only send items to a residential address on a pallet. Fees for residential delivery are high as they require items to be palletized and a truck with a liftgate to go to a limited access address. This is not white glove delivery.
